

THE *Space Station Vacation* PLACE

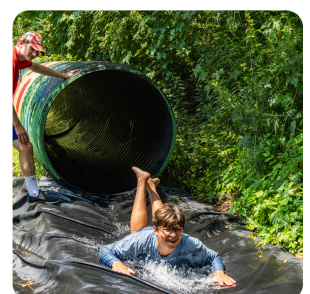

This week was out of this world as we blasted off for a week full of space-themed fun! 🚀🌙

Campers explored the galaxy through activities, games, and plenty of cosmic camp spirit. We also traded our camp gear for cozy pajamas on PJ Day, making for one of the comfiest adventures in the universe!

Already thinking about 2027?

Registration for 2027 will open in early January!

Based on feedback from families we will be transitioning to a new more user friendly registration software for 2027 called [Amalia!](#)

Keep a close eye on your email to make sure you don't miss registration information as it becomes available this fall.
