

THE *Jungle Jamboree* PLACE

Week 8 was the perfect way to celebrate our final big week of summer! Camp was filled with laughter, friendship, adventure, and all the activities that make Camp Combe so special.

This week marked the final Camp Combe experience of the summer for many of our families.

Thank you for sharing your campers with us and helping make this season one to remember!

Lost & Found

All lost and found items can be located at the Lodge behind the flag pole.

As we near the end of the summer, make sure to check DOJO for lost and found pictures.

All items left will be donated on 9/1!

Health Office

Any medications sent in with campers should have been returned to them on their last day of camp. If we missed them before they left, please contact the office to coordinate a pick up time.

We want to hear from you!

The best way for us to make camp better is to hear all the things you loved and some of what we could do better as we start to think about next summer.

Click here or scan the QR code below to complete our parent survey. This should take no more than 5 minutes.

We appreciate your feedback!

Already thinking about 2027?

Registration for 2027 will open in early January!

Based on feedback from families we will be transitioning to a new more user friendly registration software for 2027 called [Amalia!](#)

Keep a close eye on your email to make sure you don't miss registration information as it becomes available this fall.
